The application has been amended as follows:

#### **Specification:**

The following has been added on page 1, paragraph [0002] as the first line of paragraph [0002]: - - This application is a continuation-in-part of 10/139,494, filed 05/06/2002, now abandoned. - -.

2. The following is an examiner's statement of reasons for allowance:
3. Applicant's arguments, see pages 7-8, filed 1/3/06 and applicant's declaration filed under 37 CFR 1.132, with respect to the rejection of claims 5-6 have been fully considered and are persuasive. The rejection of claims 5-6 has been withdrawn.

After further clarification regarding the limitation "bellows thruster" in the claims by applicant, it is agreed that the end plates (22,24) of Schultz are not bellows thrusters having a bellows structure. Also, the hemispherical end pieces (24) welded to the ends in Komiya et al. are also not bellows thrusters having a bellows structure.

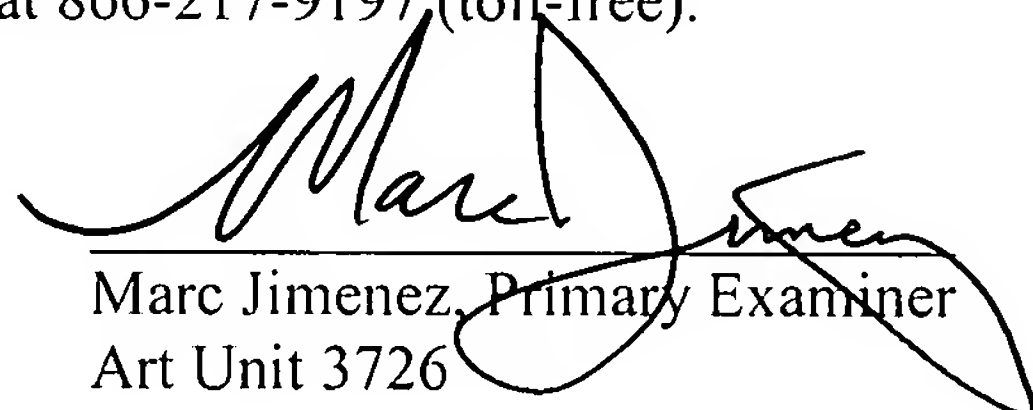

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
